

Tatla Lake Student Supply List 2026-27

Grades K-7 students are asked to bring \$45 each to the school in September (cash or cheque made out to Tatla Lake School). The school will purchase items for use in the classrooms.

Grade 8-12 students are asked to bring their own school supplies:

Wireless headphones (see examples below), binder, dividers for binder, 3 hole lined paper, 3 hole graph paper, pencils, pens, erasers, pencil crayons, felt pens, glue sticks, ruler, scissors, geometry set, scientific calculator (see examples below), highlighters, white out and black sharpies.

Here is a link to some headphones that are not too expensive. They need to be wireless but have a microphone for recording and talking to the online teacher. Noise cancelling would be good as well so they can just hear the teacher or online video sound. Ear buds are not good- they can't record their voice and they do not cancel out class noise.

Students will want a scientific calculator with at least 2 lines display. Examples:

All students require a set of indoor non-marking running shoes for gym and a water bottle (please label with your child's name).

Grade 5-12 are asked to bring a set of clothes to change into for gym. Please label the items.
